

WordRush Terms of Use

Effective Date: August 30, 2026

These terms are an agreement between you and Wolverine Interactive LLC (“we”, “us”) covering the WordRush app. By playing, you accept them.

The Game

WordRush is free to play. Optional in-app purchases and optional rewarded ads exist; neither is required to play any mode.

Your Account

Your account is anonymous and lives on your device’s keychain. You choose a username; usernames that are offensive, impersonate others, or abuse the service may be changed or removed. You are responsible for activity on your account. You can delete your account at any time in Settings.

Virtual Currency and Items

Tiles (the in-game currency), chests, skins, and other virtual items are a licence to use features inside WordRush — they are not property, have no real-world value, and cannot be transferred, sold, or exchanged for money. Purchased Tiles are consumable: once spent, or once your account is deleted, they are gone. All purchases are processed by Apple, and Apple’s refund policies apply.

We may adjust game balance — including prices in Tiles, rewards, odds, and timers — to keep the game fair and sustainable. We will not remove items you have already purchased, except by deleting your account at your request.

Fair Play

You agree not to cheat: no modified clients, no automated play, no exploiting bugs, no manipulating scores or matchmaking. Scores are validated server-side, and we may correct or remove entries and restrict accounts that break these rules.

Leaderboards and Social Features

Your username and scores are visible to other players. Friend codes let players connect; do not share codes obtained deceptively. We may remove content or connections that abuse these features.

Availability

Online features (matches, leaderboards, cloud saves) depend on our servers and third-party services. We aim to keep them running, but they are provided “as is”, without warranty, and may change, be interrupted, or be discontinued.

Liability

To the maximum extent permitted by law, we are not liable for indirect or consequential losses arising from use of the app. Nothing in these terms limits rights you have under applicable law.

Changes

We may update these terms; the effective date above will change when we do. Continuing to play after an update means you accept the new terms.
